Subject: Interesting info on NV Business Search

In talking more with the NV SOS on SilverFlume and the Business Entity Search, I found a few things out

If an organization is exempt with the state as a church, they will have a Charitable Solicitation Registration Statement on file and a link to the section through SilverFlume - see below:

However, when you look up an organization such as Universal Life Church Monastery (which is actually registered as ❖The Universal Life Church Monastery Storehouse❖), they do not have one.

The screenshot shows a web browser displaying the SilverFlume Nevada's Business Portal. The page title is "THE UNIVERSAL LIFE CHURCH MONASTERY STOREHOUSE". The page includes a navigation bar with links: HOME, DASHBOARD, DOCUMENTS, FAQ, CART, REGISTER, and LOGIN. A maintenance notice at the top states: "We will be performing system maintenance on Tuesday May 17th from 7:00 pm to 10:30 pm. Access to SilverFlume will be unavailable." The SilverFlume logo is present, along with the text "A Service provided by the Secretary of State, Barbara K. Cegavske". A search bar is also visible.

Below the title, there are three buttons: "New Search", "Manage this Business", and "Calculate Fees", along with a "Print" icon. The main content area is divided into three sections:

This gets so convoluted as to who ♦s what ♦ Both are Foreign Non-Profit Corporations, but only AMM is qualified as exempt for being a church. However, we have to consider ULC as a religious org. In all cases that I can see, a NV Business ID will exist. I think we need to put that back on the affidavit from the organization and make them provide it.

Question, most apps for ULC come in under the name Universal Life Church. Should they come in under the which the organization is registered with the state?
